Roni Handler,
Director of
Congregational
Learning**

BTBJ Religious School is gearing up for Super Bowl LII with our own competition. Last week our teen volunteers helped to break the 2018 BTBJ Maccabiah Games, running into each class singing the Maccabiah chant and announcing which students were on team adom (red), team lavan (white) and team kachol (blue).

Our first day of sporting events included creating team cheers and “skiing moguls” (while answering trivia questions). The competition will continue in class with students having the opportunity to earn points by offering correct answers and exemplifying our theme of “loving your neighbor as yourself” by being kind to one another. Points will be gathered until our final team events and closing ceremony on Sunday February 4th!

All of our religious school families should also have noticed that we have moved to sending weekly emails, the “BTBJ Religious School Schmooze,” from Constant Contact. Please check your inboxes (and be sure these are not going to spam) every Thursday to see information regarding upcoming events, as well as other announcements specific to our students and religious school families. If you have not been receiving these emails, please contact the office so that we can be sure to add you to our list.

As we all gear up for Super Bowl LII, I leave with you the following prayer (adapted from a piece originally written by Tamra Dollin on the occasion of running the NY marathon):

Yehi Ratzon Mil'fa'necha, Ad-noi El-hein
May it be your will Adonai, our G-d
Remove all obstacles from before the Eagles
Help them to run swiftly and without impediment
Grant them the courage to persevere in moments of weakness
To see and do acts of loving kindness along the way
And that through this endeavor, may they glorify your Great Name.

As it says in Isaiah 40:31:

For those who hope in God will renew their strength.
They shall soar on wings like eagles; they shall run
and not grow weary.

*Yihi ratzon milifanekha Adonay eloheyenu v'elohey
avoteynu v'emoteynu, sh't'khadash et gufi, nafshi
v'rukhi b'khol yom vayom, v'nomar Amen.*

**Joe Valentine,
Men's Club President**

By the time you read this, I am hopeful that the winter chill will be behind us and we will be looking forward to warm spring days ahead. However, there is a chance you'll be digging out from 10" of snow. In either case, the Men's Club is planning some of fantastic events for the coming months.

March Madness – Thursday, March 15. What better way to enjoy 16 basketball games than to meet up with us at a local sports establishment (TBD) to watch all the action on multiple screens. Shy of heading to Vegas for this exciting day in sports, hanging with us will prove to be a close second.

April 16 – Go-Carts. That's right. Men's Club on the Move to Horsham to race go-carts. The space is limited so if you're interested, please sign up and send in your deposit. (Payments can be made by check or by paypal).

May 17 – Our Steak Dinner has become one of our premier annual events. This year we plan to continue the strong tradition of a great night with friends as we prepare for the adventures of Summer.

Information about these events and pictures from our past events can be found on btbjmc.com.

Have you seen our new signage in the parking lot of BTBJ ? A special thanks to Mark Halsman and Promotional Marketing.

Additionally, in January we had our annual Men's Club Shabbat. We had a great turnout and a lot of participation in the service – including reading Torah. I tip my cap (or kippah) to all those that took the time to prepare for this special service. Thank you, Cantor Benjamin, for working with us on these wreadings. The morning was capped off with a great Kiddush provided by Barclay Caterers.

**Ivan Bell,
President**

The new calendar year. A time of hope for a healthy and prosperous 2018 and a time of reflection for so much that has happened in 2017. I am struck by the irony that we are a people, a nation, a religion that marks its calendar in the many thousands of years yet our board of directors and leadership team fret over the events unfolding in the next five or six week. Conservative Judaism struggles to remain vibrant and relevant for today's young families.

Rabbi Roni Handler and Cantor Benjamin Greenfield have been here only 6 months. In a very short time they have accomplished much and there is positive energy and loads of smiles in our Religious School. Much effort has been made to evaluate and slowly transform the school curriculum with cooperation and coordinated events with our thriving Preschool. Are there miscues and unexpected outcomes? Yes, of course. We strongly believe Rabbi Handler has the skills, passion and energy to continue transform our Religious School into the best we can be.

If you have not been to a Shabbat morning service this winter, please come and explore. Winter is a quiet time with just Burt Abrams and/or Cantor Benjamin Greenfield running the services. The intimacy and the serenity of these Saturday morning services has been wonderful. There are no B'nai Mitzvah during the period from mid-December thru mid-March. Please help us ensure there is a minyan at our Shabbat services and in the Weekday minyan. The hours are Sunday 9:30 AM and Thursday 7 AM.

Rabbi Grife is on Sabbatical until mid-March and even though he is "away", he will continue performing life cycle events whenever possible. Should you need counseling or assistance in a religious or life event, continue to reach out to us.

Each and every day, either myself or one of our leadership teams responds to inquiries or requests from our membership. I feel that there is so much talent, so much energy among our member families. We see it clearly at Affiliate events. We see it at the gathering of the young teens for BBYO events. We see it at the Aleph class services and parades. However, I have a feeling that so many of you are sitting silently on the sidelines, standing in the shadows not sure how to be involved.

Our shul embraces a great many beliefs and practices. Personally, I watched as my mother ran a synagogue gift shop and created trips to Broadway for her Sisterhood. She served as a Sisterhood President. For my father it was studying the Talmud with Rabbi Dembowitz—even though my father never read any Hebrew. For all of you, my BTBJ family, there are similar opportunities that range from coming to shul two or three mornings a week to helping on our Fundraising committee and making these events successful. There are leadership positions and less time consuming volunteering, like helping in the kitchen.

Your families interactions with BTBJ, whether with our teachers and clergy and/or among the entire BTBJ family is limited only by your imagination. I urge you to become more engaged. Join a committee, attend a service, make a pledge to honor an event or family member, and become a stronger Jewish individual.

There are less than 4 months remaining in my Presidency when you read this newsletter. There will be only two more BTBJ newsletters in which I will have an opportunity and a platform with which to ask you this: Will you join me in making BTBJ the strongest, warmest, most fun loving congregation in the region? Can I ask you to give of yourself? You have my promise you will receive 10 fold from me.

MESSAGE FROM SISTERHOOD PRESIDENT

**Jennifer Schindler,
Sisterhood President**

Sisterhood Dance, by Aqua Marine

Women dance in step Happy rhythmic rumba style- Sisters, one and all

In late November, the Sisterhood came together to build strength with Trainer Ann Lombardi. The Social Hall was pumped with jams that helped us to push through the pain. We used our own body weight to tone and tighten as Ann helped us focus on our goals: Get Fit, Have a Great Time & *Dance* with our Sisters. Thank you to Stephanie Barrie, Laurie Goldstein and Abbe Kligerman, who came together to plan this event.

If you felt the “Mystical Spirit” coming from the Social Hall on the afternoon of December 12th, it was Rabbi and the Sisterhood *dancing* through the Mysteries of Kabbalah. Kabbalah, known as Jewish Mysticism, is based on two chapters of the bible - Genesis I and Ezekiel. During our time with Rabbi, we only scratched the surface about what Kabbalah actually is and why it is excluded from normative Judaism. Rabbi always leaves us wanting to know more. Thank you to Rabbi and our Lunch & Learn Chair, Sabrina Denmark. Our final Lunch & Learn with Rabbi will be held on Tuesday, April 17th. The topic of our final session is “What’s in a Name?” We will learn how our Hebrew or Yiddish names are tied to our Jewish Souls. This is a session that you will not want to miss.

Have you ever wondered what life would be like if you belonged to a Modern Orthodox Shul in Israel? If you are female, you would have to sit in the Women’s Balcony during services. What would happen if that balcony collapsed? This is the story told in the Israeli film “The Women’s Balcony,” which we watched at the Sisterhood Annual Movie Night. After the movie, Sisterhood members had a lively discussion (dance) around issues brought up in the film. It was an enjoyable evening. Thank you to Laurie Goldstein who planned the evening and arranged our Pizza/Salads dinner.

On February 2nd, the Sisterhood will come to our mats as we spend a soulful Shabbat with Yoga Instructor Deborah Glassman. Don’t miss the chance to flow through your yoga practice while we dance with prayers coming from our hearts.

Our Purim Basket Campaign is underway. Please keep an eye out for emails from BTBJ@comsend.com. You can log into your Purim Account and pay for your baskets via PayPal. It couldn’t be easier for you to take part in the dance of giving the gift of food and drink at Purim. The Sisterhood will be packing the baskets on Sunday, Feb. 18th. Please see the Sign-up Genius email to join in the mitzvot of packing and delivering our Shaloch Manot baskets. A big thank you to Betsy Berger and her team of Jodi Taylor and Sarah Ghosh for organizing this campaign!

We hope to see all of our Sisters on Sunday morning, March 18th as we *dance* on our bikes at CycleBar Plymouth Meeting for our big 2018 Fundraiser. Look for information on our ride to be sent to your inbox in the next few weeks.

Sisterhood offers many opportunities to dance with our Sisters. Don’t sit this year out. You may just miss a new song with a beat you will fall in love with.

Our deepest sympathy to:

Beth Blum and family on the passing of their beloved father and grandfather, Paul Bomze.

Diane Derow and family on the passing of their beloved mother and grandmother, Lillian Derow.

Mark Halsman and family on the passing of their beloved mother and grandmother, Aileen Halsman.

Rachel Handis and family on the passing of their beloved father and grandfather, Edward Weiss.

Rachel Holzman and family on the passing of their beloved mother and grandmother, Helene Halpern.

Eric Jacobs and family on the passing of their beloved mother and grandmother, Betty Jacobs.

Jamie Mitchell and family on the passing of their beloved mother and grandmother, Wilma Mandell.

Rob Slutsky and family on the passing of their beloved mother and grandmother, Ruth Kopew Slutsky.

Cantor Benjamin can use some help with Torah readings. Although Rabbi Saul is the most gifted and regular Torah reader, he is on sabbatical for the next three months. Cantor Benjamin is looking for Torah Readers to help share the Torah Readings each week.

During this transitional period, and after if possible, we can use your skills to enhance our services. Volunteer to read a parsha or two. Possibly there is one you know from your Bar/Bat Mitzvah, or a previous reading? Co-ordinate with Cantor Benjamin to schedule a reading. Do you need a refresher? He can make available audio recordings as well as the printed material for you to study. Are you a recent Bar/Bat Mitzvah, or it has been a generation or two since you read?

It's never too late to study and read again. For those who have the desire to learn to layn (read) Torah, we are considering a Torah reading class with trope study so you properly chant the parsha. Let us know of your interest and we can schedule the class. Help us during this learning period and I promise you will find it fulfilling.
